Page 94, Notes for Chapter 6.

Evangelical Lutheran Church in America needs this endnote for Table 25 and 26:

"Some assumptions were made in arriving with the total income, and those remain consistent from year to year."

Page 198-201, Notes to Appendix B-5.1—B5.4:

The reference to endnote 6 should be next to Evangelical Lutheran Synod and not next to Evangelical Lutheran Church in America.

Evangelical Lutheran Church in America: (blank)

Evangelical Lutheran Synod: 6

In addition, data for Evangelical Lutheran Church in America in Table B-5.4 should have the following endnote:

"Some assumptions were made in arriving with the total income, and those remain consistent from year to year."
